- I. The Guidelines for Selecting Excellent Teacher in Teaching (hereinafter referred to as “the Guidelines”) of College of Engineering, National Sun Yat-sen University are formulated in accordance with “National Sun Yat-sen University’s Principles for Recruitment and Retention of Special Outstanding and Talented Faculty” and “National Sun Yat-sen University’s Implementation Regulations for Recruitment and Retention of Special Outstanding and Talented Faculty” in order to award teachers for their excellent performance in teaching.
- II. The dean shall be the ex officio member and shall assume the convener of Excellent Teacher in Teaching Selection Committee, which shall consist of one professor elected by each department/institute of the College and at least three faculty representatives from the other colleges (including Si Wan College and Research College) who have won the University’s Distinguished Professor and Outstanding Teacher in Teaching Award (Outstanding Teaching Award), Outstanding Teaching Award, Excellent Teacher in Teaching Award, or Excellent Teaching Award.
- III. The applicants who apply for the Excellent Teacher in teaching shall meet the requirements specified in National Sun Yat-sen University’s Implementation Plan for Academic Ethics as well as the following basic eligibilities:
 1. Teaching Achievements Eligibility – The teacher shall meet at least one of the following conditions:
 - (1) At least one of the courses taught by him/her in the previous academic year which has been conferred the certificate of merit for “Well-recognized Course” by the President.
 - (2) With the satisfaction scores higher than average scores of the College on the “Teaching Survey” questionnaire in the previous academic year.
 - (3) With the teaching satisfaction scores higher than average scores of the

College under the “Survey on the Satisfaction of the Graduates with the Department/Institute and Teacher returned” in the previous academic year.

- (4) The applicant is dedicated to teaching-related responsibilities diligently for a long time and has concrete achievements reviewed by the “Excellent Teacher in Teaching Selection Committee” of his/her department(institute) or the Office of Academic Affairs (including Si Wan College or Research College).

2. Teaching and Service Eligibility—The teacher shall meet at least one of the following conditions:

- (1) Taught at least one of the Si Wan College courses (taught by no more than three professors) or one credit in the previous academic year.
- (2) Taught at least one of the undergraduate required courses in the previous academic year.
- (3) Taught at least one EMI course in the previous academic year.**
- (4) Passed the certification of digital teaching material or digital teaching program by the Ministry of Education in the previous academic year.**
- (5) The applicant’s average teaching equivalent for lecture and required laboratory courses for three years shall be above the College’s faculty average. Sabbatical leave semesters are not required to be included in the calculation. Reduced teaching hours may be applied to semesters with joint administrative responsibilities.**

3. The College’s Basic Eligibility—The teacher shall meet all of the following conditions:

- (1) A full-time professor, an associate professor, an assistant professor, a lecturer or a contract teacher who has taught at NSYSU for 3 years or more.
- (2) The teaching hours for full-time teachers in the academic year prior to the application shall meet the University’s “Teaching Hours Verification Guidelines”. The teaching hours for contract teachers shall meet the same required teaching hours as the full-time teachers for his/her rank.
- (3) Taught at least one EMI course in the previous two academic years, or participated at least two sessions (including one teaching demo or class observation) in the EMI Training Program at NSYSU.**
- (4) The applicant’s average teaching equivalent for lecture and required laboratory courses for three years shall be above 50% of the average teaching equivalent of his/her department (institute). Sabbatical leave semesters are not required to be included in the calculation. Reduced teaching hours may be applied to semesters with joint administrative responsibilities.

The number of semesters in which the teacher is on vacation and takes maternity leave, childbirth leave and parental leave pursuant to laws may be calculated retroactively, according to the items 1-3 of the subparagraph 1, items 1-3 of subparagraph 2, item 2-3 of subparagraph 3 of the preceding

paragraph.

- IV. The Excellent Teacher in Teaching Award shall be awarded once per year, and the President will confer one certificate of merit separately. **The teacher can receive at most one “Excellent Teaching Award” within two years.**
- V. The faculty member who meets the eligibility requirements and wishes for application shall complete the College’s Application Form for Excellent Teacher in Teaching Award and submit it to the College.
- VI. Two-thirds or more of the committee members must attend the meeting of the Excellent Teacher in Teaching Selection Committee. The members shall not appoint others to act as their proxies. The award selection shall be subject to the approval of at least second-thirds or more of the attended members.
- VII. The College’s selection of Excellent Teachers in teaching shall be processed in accordance with the provisions of this Guidelines as per the schedule announced by the Office of Academic Affairs. The Excellent Teacher in Teaching Selection Committee shall rank candidates and select a number of suitable nominees to create the College’s Excellent Teachers in Teaching Nomination List (up to a maximum of 10 percent of the College’s full-time faculty(**including contract teachers**)). Recommendations to the Office of Academic Affairs shall be sorted according to the Committee’s ranked order. The College may recommend the top 30 percent nominees on the Nomination List for the annual selection of Distinguished Professor and Outstanding Teacher in Teaching Award (Outstanding Teaching Award).
- VIII. Matters not stated in the Guidelines shall be handled according to the University’s statutory requirements and relevant regulations.
- IX. The Guidelines, as well as its amendments, become effective upon approval by the College Affairs Meeting and the Academic Affairs Meeting.

I. Recommendation Form

Name		Title		Department/ Institute	
Excellent teaching description (no more than 1 page)					

II. Reference Data for Review and Evaluation

1. Teaching Performance

(1) Seniority

Date of employment	Seniority at the university (year)	<u>Starting date of current position</u>

(2) Teaching engagement

i. Teaching hours

Semester	Actual hours	Reduction of hours (reasons)	Total
Average		-	

ii. Teaching equivalent

A. Teaching equivalent for lecture and required laboratory courses

Semester	Teaching equivalent for Lecture and required laboratory courses	Average of the department (institute)	Average of the college	Average of the University
Average				

B. Teaching equivalent for supporting General Education courses (lecture)

Semester	<u>Names of</u> supporting General Education courses (lecture) / Teaching equivalent	Average of the <u>department (institute)</u>	<u>Average of the college</u>
Average			

iii. Courses taught by the applicant

Semester	Name of required courses in	Academic system	Type of	Number of
----------	-----------------------------	-----------------	---------	-----------

	the department (institute)	(Undergraduate, Master's, or Doctoral)	course	students

Semester	Name of general education courses	<u>Department</u>	Type of course	Number of students

Semester	Name of EMI courses	Academic system (Undergraduate, Master's, or Doctoral)	Type of course	Number of students

iv. Digital learning courses or materials developed by the applicant

Semester	List of digital learning courses which earned the certification of e-learning materials and courses by the Ministry of Education.	Number of students

Semester	List of digital learning courses taught at NSYSU	Number of students

Semester	List of international cooperation in EMI digital courses.	Number of students

v. Teaching Related Achievements over the past three years

Year	Item

Data sources:

- a. With courses at NSYSU approved in Teaching Excellence Project of MOE & Higher Education Sprout Project Teaching Innovation Program of MOE
- b. Acting as a course module coordinator
- c. Acting as a director of a collaborative learning group
- d. Offering micro-credit courses

vi. Acted as a project leader of teaching-related projects by the MOE

Year	Item

Data sources:

- a. Acting as a project investigator of Teaching Practice Research Program by the MOE
- b. Acting as a project investigator of teaching improvement projects by the MOE

vii. Professional development in Teaching

Year	Item

Data sources:

- a. Participating in class observation
- b. Participating in training classes and workshops for teachers
- c. Acting as a lecturer in teaching activities such as training classes, workshops, and teaching demonstrations for teachers (including EMI activities)
- d. Teaching contribution
- e. Acting as a leader of a teaching community
- f. Participating in teacher EMI training programs

(3) Teaching Achievements

- i. Scores of “Teaching survey” over the past three years

Semester	Scores of “Teaching survey”	Average scores of “Teaching survey” of the applicant's college

ii. Scores of “Survey on the Satisfaction of the Graduates with the Department/Institute and Teacher returned” over the past three years

Semester	Scores of “Survey on the Satisfaction of the Graduates with the Department/Institute and Teacher returned”	Average scores of “Survey on the Satisfaction of the Graduates with the Department/Institute and Teacher returned” of the applicant's college

iii. Deeds of teaching honor over the past three years

Year	Deeds of teaching honor

Data sources:

- a. Winner of National Excellent Teacher Award of MOE
- b. Winner of the Distinguished Award for General Education Teachers of MOE
- c. **Winner of Teaching Practice Research Excellent Project by the MOE**
- d. **Winner of NSYSU Outstanding Teaching Award**
- e. **Winner of NSYSU Excellent Teaching Award**
- iv. Courses taught by the applicant conferred the certificate of merit for “Well-recognized Courses” over the past three years

Semester	Well-recognized Courses

Data source: Courses taught by the applicant conferred the certificate of merit for “Well-recognized Courses”

v. Teacher won the “EMI Course Awards” over the past three years

Semester	EMI Course Awards

Data source: Teacher won EMI Course Awards over the past three years

(4) Teaching and service outside of NSYSU

Semester	Teaching “micro-courses” or “multiple electives” at high schools

Data source: Offering micro-courses or multiple electives at high schools
